The screenshot shows a web-based registration form titled "Education Software Installer 2012 for Windows". It includes a link for "<< Product Info" and a legend stating "\* = Required fields". The form contains several input fields: "First name \*" with the value "Maria", "Last name \*" with "Pérez", "Organization" with "Xunta", "Industry \*" with a dropdown menu showing "Education", and "E-mail \*" with "mariaperez@edu.xunta.es". Below these is a checkbox question "Can SMART e-mail you about software updates, products, services and related events?" with "Yes" and "No" options; "No" is selected. A blue "Start Download" button is positioned below the form. At the bottom, a disclaimer states: "SMART will never rent or sell your information to any other organization, and we will not send you any further correspondence without your prior consent. Read our entire privacy policy."

Comezará a descarga do instalador que poderas gardar na túa carpeta de descargas.

## Instalación

Facendo dobre clic no instalador unha vez que finalice a descarga aparecerá este asistente, seguiremos os pasos que nos indica

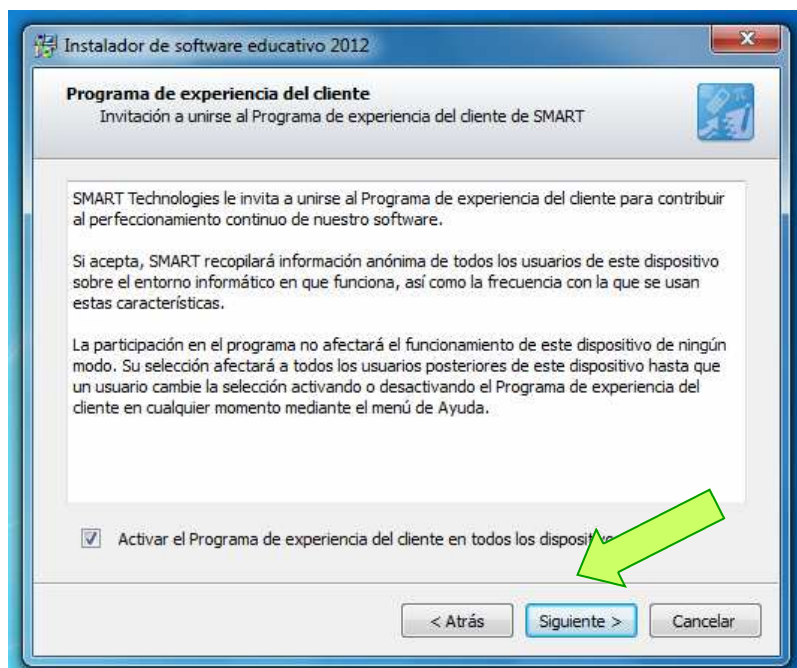

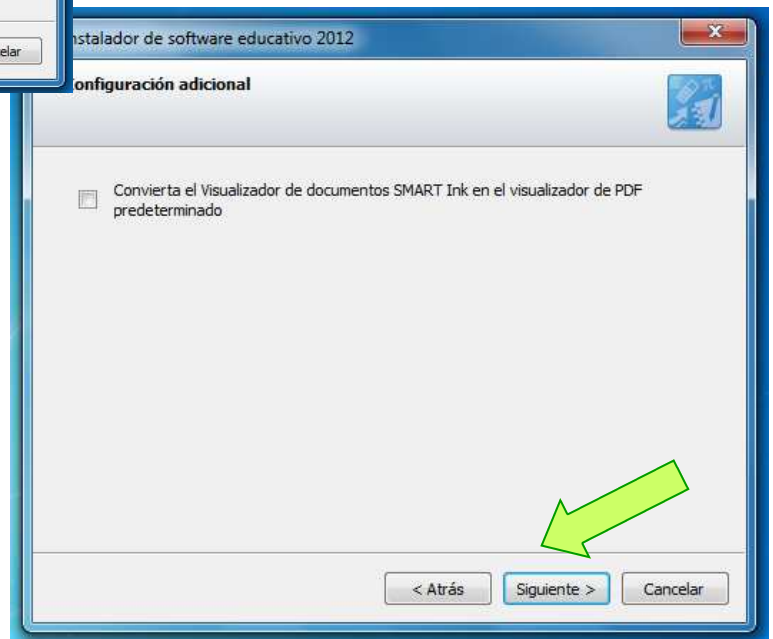

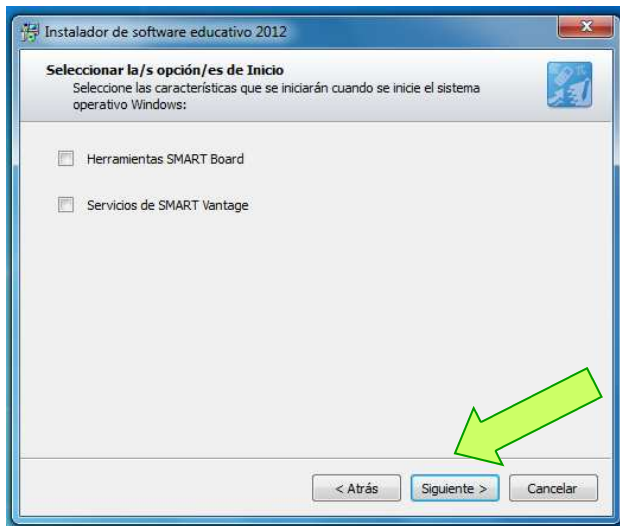

Escollemos os productos que imos a instalar:

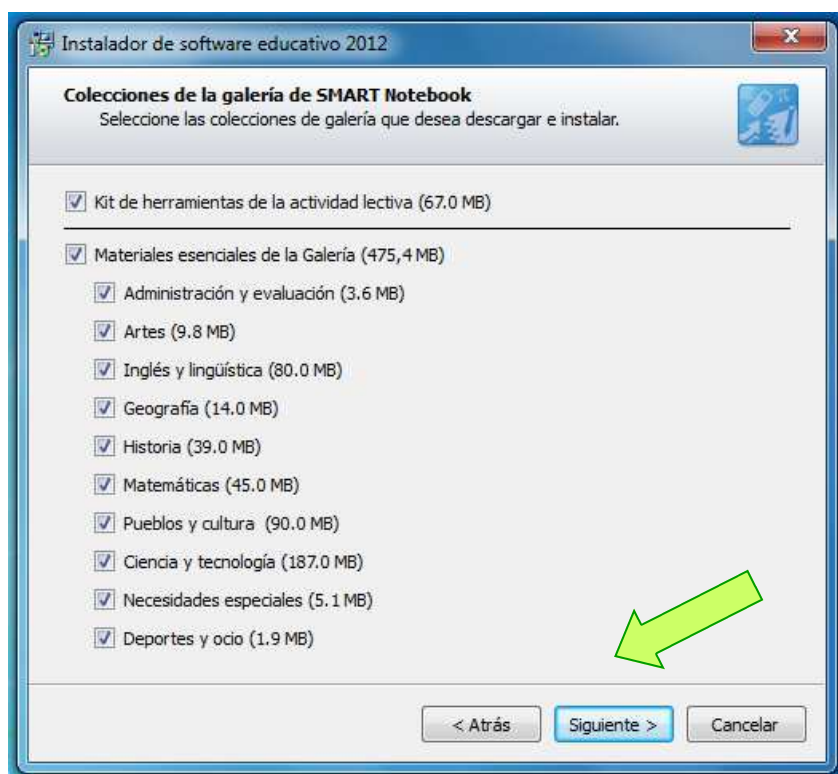

(no nos o caso o Notebook )

As ferramentas de matemáticas e as 3D non son gratuítas.

Fai clic se queres que algunha destas aplicacións arranquen ao inicio,

Estas son todas as categorías de imaxes da galería que vai a instalar, se non desexamos algunha non temos máis que eliminar a selección (tardará un pouco en instalar todo)

Na seguinte pantalla permitirá escoller os idiomas que desexemos instalar. So temos que buscalo na lista da esquerda e pasalo á da dereita
