

What is English currency?

# £ Pound Sterling £

- In the UK, we use the **Pound Sterling** as our currency. We call it Pounds
- Pounds are the oldest currency in the world that we still use!
- Pounds started in the 1700s and were sometimes called Sterlings
- We also have Pennies – 100 Pennies are 1 Pound

# English Notes

- We have £5, £10, £20, and £50 notes
- They are like plastic – you can put them in a washing machine!
- Can you recognise the people in the Notes?
