

Wendy's Night at School

I am **Wendy**. I am eleven years old and I live in a spooky castle in **Transylvania**.

I usually get up at a **quarter to eight in the evening**. I have a shower, put on my favourite black cape, and then I **brush my fangs**. After that, I go downstairs and have breakfast. For breakfast, I usually have **red berry juice** and "bat-flakes." Then I brush my fangs again because I like them white and sharp!

Then I grab my school bag and go to the bus stop to catch the **ghost bus**. My night classes start at **half past eight** and finish at **half past four** in the morning. I usually have lunch at the school canteen with my monster friends at about **12 o'clock midnight**. My best friend is **Bella the Bat** and I always sit next to her at lunch.

After school, I fly home and do my homework. I am a very hard-working pupil, and I never miss a school task! After homework, I usually listen to spooky music and watch television for a bit.

At **half past seven in the morning**, it is time for dinner. Then I usually read a book about magic or chat with my parents for a while.

Finally, I go to bed at about **ten o'clock in the morning** when the sun comes up, but before that, I brush my fangs. I am a happy little vampire!
