# Materials

White Paper

Coloured Crayons

Scratching Tools

# Step 1

Use the crayons to colour your paper.

Colour any design you want.

Use bright colours.

Do not leave any white space.

Do not use black.

# Step 1

Add more colour.

# Step 2

Use a black Manley crayon to colour over the picture. Colour the whole surface.

# Step 3

Use your tools  
to scratch  
your design.
