My weekend: Saturday 14th March and Sunday 15th March

- Hi! My name's Ben and this is my diary for last weekend.
- Last weekend was really good. On Saturday morning,
- my mum was at the shops. I wasn't at the shops with her because I was at a football match with my dad. Later, I was at a family lunch in a very good restaurant.
- On Sunday morning, I wasn't at the park because it was a rainy day – I was at home. Later, I was at my cousin's birthday party. It was a fun weekend!
