

Salvador Dalí

Hello, we are Sarah, Eric, Jacobo, Dylan and Samantha from the Vales Villamarín School. Today we are interviewing one of the most famous Spanish painters, Salvador Dalí.

1. Hi, Mr. Dalí! Thank you for coming. How are you today?

Dalí: I'm perfect, thanks!

2. Can you tell us your full name?

Dalí: Of course, my full name is Salvador Domingo Felipe Jacinto Dalí.

3. Where and when were you born?

Dalí: I was born 11th May 1904 in Figueras (Barcelona).

4. What's your favourite painting?

Dalí: "The Persistence of Memory". The one with the soft watches. It represents that time melts, like in dreams.

5. What's your painting style?

Dalí: My painting style is surrealism.

6. Why do you paint such strange things?

Dalí: Because normal paintings are boring. I want to show what's on my mind, not what my eyes see.

7. Did you work with others famous artists?

Dalí: Yes, I did! I worked with Walt Disney and I met Pablo Picasso. It was very interesting.

8. And the last question is.. when and where did you die?

Dalí: I died 23rd January 1989, on “Torres Galatea”.

Alright, that was all. Thank you so much for coming, we appreciate it!

You're welcome! I have to return now. See you in the after life!
