Being healthy Mum says I have to brush my teeth In the morning and at night. They look and taste much better But I hate it when she's right. Dad says I have to take a bath And wash my body well. I do feel nice and clean and fresh But now <i>he's</i> right as well! My brother says I have to wash My hands to keep them clean. He's right, my fingers feel so good Without dirt in between. My sister says I have to eat Some vegetables each day. She's right, I have more energy To run and walk and play. I feel more healthy and I've got Much better teeth and skin. Don't tell them that I think they're right - I hate it when they win! <i>Gillian Craig</i>	Poems
