

## YELLOW- COLDPLAY

Look at the stars  
Look how they shine for you  
And everything you do  
Yeah, they were all yellow

I came along  
I wrote a song for you  
And all the things you do  
And it was called Yellow

So, then I took my turn  
What a thing to've done  
And it was all yellow

Your skin  
Oh yeah, your skin and bones  
Turn in to something beautiful  
Do you know  
You know I love you so  
You know I love you so

I swam across  
I jumped across for you  
What a thing to do  
'Cause you were all yellow

I drew a line  
I drew a line for you  
What a thing to do  
And it was all yellow

And your skin  
Oh yeah, your skin and bones  
Turn in to something beautiful  
Do you know  
For you, I'd bleed...
