Communicating in native and foreign languages	- Language immersion
ICT	X

<sup>\*</sup>Teaching skills according to Galician teacher training services, based on directions from the European Commission

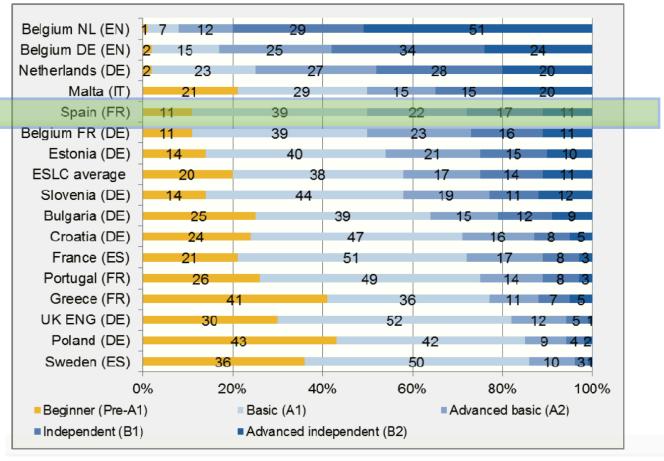

#### Multilingualism

- One of eight key competences needed for personal fulfillment, employability, active citizenship and social inclusion (EU Member States in the Council recommendation on key competences for lifelong learning)
- 2011-12 EU survey on language skills:
  - 42% of 15 year-old pupils: B1/B2 in their 1st foreign language
  - 25%: B1/B2 in a 2nd foreign language
  - 14%: lacked even a basic knowledge of one
- Need to improve multilingual skills for students and teachers
- Bilingual teaching in Spain

Figure 3: Second foreign language. Percentage of pupils at each level by educational system using global average of the 3 skills

Source: First European Survey on Language Competences, June 2012, p. 10

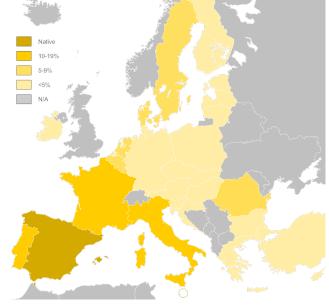

## Multilingualism in a European context

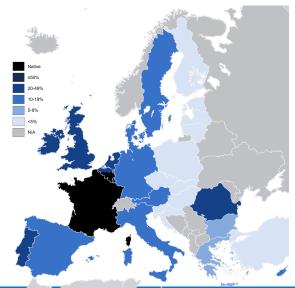

- EU:
  - 24 official languages
  - 3 procedural languages (English, German, French)
- The importance of multilingualism for developing a European citizenship and consciousness
