

How to book on a traveling website

Turn on
the
computer

Type what
you want in
the search
engine (e.g.
Google)

Find an online
traveling site
such as Booking
or LastMinute.

Set up an account.
you'll need to sign
up for an account.
Usually this
involves nothing
more than an email
address and
username

Double
click on
the icon of
the web
browser

You will
see a list
of results
for your
search

Now, search the
place you want to
travel to and the
dates for check-in
and check-out.

Click on the option
you prefer and read
all the information
about the place. If
you like it, reserve.

Select the
option that
best matches
your interest.

Filter the
results by
clicking
the options
on the
left.

Enjoy!
