Getting Started: What are the first steps you should take to begin your work? What types of information do you need to find in order to do your work? Where will you get the information you need? What questions do you have that you need answered in order to start your work? What help do you need from your teacher or parents? List that information here.
Project Skills, Resources and Materials I Will Need: List the Renzulli Learning™ resources here along
with other resources (people, organizations, businesses, etc.) you have located that will help you with your work. Include websites,
contact names, addresses and phone numbers, lists of the materials you will need, etc.

Intended Audience(s): Who would be most interested in your work or project? Consider organized groups (clubs, organizations, societies, teams) at the local, state, regional and national levels, and list them here. Also consider contests, places where your work might be displayed or published, and web sites that include work done in your area of study. Include contact names, phone numbers, addresses and email, along with meeting times and locations.
