Other:		

Note: Students can complete this form in one color pen or pencil. Subsequently, teachers and/or parents may wish to complete the document with a different color to highlight similarities and differences between the student's and adult's perceptions about student strengths.

Ways To Learn	I Like This	I Am Good At This	General
Talking With Others			Interests
Listening to a Speaker			Performi
Reading			Creative Wri
Watching/Viewing			Mathe
Games Computers			Business/Manag
Reliving/ Pretending			A
Centers			I
Making/Doing/ Moving Activities			Social
Working Alone			Fine Arts &
Working With a Partner			5
Working in a Group			Tech
Working With an Adult			
Choices and Options			
Detailed Directions			
	_		Specific

Performing Arts	
Creative Writing & Journalism	
Mathematics	
Business/Management	
Athletics	
History	
Social Action	
Fine Arts & Crafts	
Science	
Technology	
Other	

Specific Interests

Activities, Clubs, and Lessons I Do Outside of School:	Family Activities, Special Experiences, and Projects I Do at Home:
My Talents Are:	
This Year, I Would Like to:	

## Modification, Differentiation, Enrichment Provided

		Reading	Writing	Spelling	<b>G</b> rammar	Hand Writing	Math	Social Studies	Science	Music	Art	PE	Library
1.	Identify students' interests, styles, etc.												
2.	Categorize objectives												
3.	Evaluate curriculum components												
4.	Brainstorm real-world connections												
5.	Connect to knowledge fields												
6.	Escalate objective(s)												
7.	Create enhanced introductory activities												
8.	Choose active learning opportunities												
9.	Incorporate authentic components												
10.	Involve parents												
11.	Use diagnostic tools												
12.	Identify relevant differences among students												
13.	Use open-ended activities												
14.	Provide options to broaden the curriculum												
15.	Telescope instruction												
16.	Offer small-group learning activities												
17.	Provide whole-group enrichment												
18.	Teach cognitive skills												
19.	Use centers & contracts												
20.	Organize simulations												
21.	Debrief students												
22.	Propose extensions												
23.	Offer enrichment clusters												
24.	Connect students to talent development opportunities												

## Learning and Talent Development Recommendations
