Chocolate and cookie cake

Introduction

We've got the party of Folgoso so we have to do a cake. Chocolate and cookie cake is one of the best desserts and it isn't difficult to make.

Ingredients

A packet of square cookies
Some liquid chocolate
Some milk
Cherries

Instructions

- First of all, put the milk in a dish, dip the cookies in the milk and then put them vertically in a square bowl.
- Then, put the chocolate in another bowl and spread out the chocolate on the cookies.
- You repeat the same steps until a layer of chocolate reaches the brim.

Serving suggestions:

Serve the cake with some cherries.

DOUGHNUT COOKIES

Introduction:

We have doughnuts so we need to do something with them.

Ingredients:

4 doughnuts

decorations

chocolate

powdered sugar glaze

Preparation time:

30 minutes

Cooking time:

30 minutes

Instructions:

First of all cut the doughnuts in half. Then, put the chocolate in the microwave for 3 minutes more or less, next put the doughnuts in the pan with some weight on top for one minute on each side. Then put the chocolate on the doughnuts.

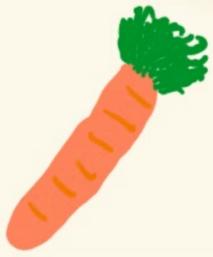

Last of all decorate the doughnuts as you want.

Serving Suggestions:

Put all the cookies on a dish.

Crème caramel

Cooking Time

20 minutes

Ingredients

8 eggs

8 tablespoons of sugar

1 l of milk

Instructions

First of all, put the eggs, the sugar and the milk in a bowl and mix it altogether .

Then, put the mixture in a hermetic bowl and closed it.

Next, put the hermetical bowl in bain- marie for 15 minutes more or less .

Last of all put the crème caramel in a recipient with some cream on top.

Serving suggestions

Serve your crème caramel with a glass of lemonade, it is delicious!!
