## 2. ACTIVIDADES RELACIONADAS CON LA LECTURA: “Reading is flying!”

The screenshot shows an interactive reading interface. At the top, the title "The new teacher!" is displayed. Below it, there are navigation buttons: "Main menu!", "Imprimir", and "While-reading!". The main content area is titled "LISTEN AND READ!" and features a central text box with a blue background and white text. The text reads: "Julie loved winters. When it rained, after school, she came back home. Her grandmother, a tall and slim woman with straight short white hair, prepared a cup of hot chocolate for her and she sat down next to the fireplace while her grandparents told her different stories about witches and spells." The text is surrounded by illustrations of children flying kites. One kite is purple and labeled "READING", another is green and labeled "is FLYING", and a third is light blue and labeled "is". The interface also includes a "Dictionary!" button at the bottom left and a navigation bar at the bottom right with a play button, a page number "15", and left and right arrow buttons.
