

PROXECTO “NEMO”

Seguramente todas e todos víchedes a película "Buscando a Nemo" e xa que estamos traballando os animais mariños, e incluso os de catro, que están vendo animais salvaxes, paréceme interesante para complementar o traballo que estamos a facer cos libros de Castoria, presentarvos este pequeno proxecto para que vos entreteñades con algo diferente, espero que vos guste!

Ademais, como vedes, hai moitos debuxos e así tamén practicades para ser creativos coloreando e deixando voar a vosa imaxinación usando os debuxos para facer collages, morais, postais...

Deixámosvos a continuación, uns enlaces interesantes para xogar online:
