*This year we have 3 language assistants from different parts of the world. This is a great opportunity to hear different accents and practice your English. We have organised two different types of activities:*

- **Fun and games (face-to-face):** Have fun while you practice your English: games, quizzes, competitions, board games and more.
- **Word on the street (online) :** Listen to a cultural presentation on different topics and then have a conversation with the teacher and the other participants.
