

## WRITING PRACTICE

### TASK1: WRITTEN INTERACTION

#### TOPIC: WORK

You love writing and you see this advert on the internet.

**The online magazine that covers your local area**

[Apply to join our team!](#)

We are looking for people to write regular articles about your local area. We would be interested in employing you if you have a strong interest in what is going on locally. Areas of interest could include:

- ✓ Local restaurants and cafés
- ✓ Films theatre and music
- ✓ Places to go and things to do
- ✓ Sports and where to do them

We would be able to offer you a small fee for each article and also other benefits such as free tickets to events.

To apply, send us an email ([applications@localview.com](mailto:applications@localview.com)) explaining what area you are interested in and why you think you would be able to contribute to our magazine.

You decide to write an **application email**. You must develop the following three points in the most appropriate order:

- State the reason for writing
- Give examples of relevant experience
- Summarise your strengths

➤ **Write between 120-150 words**

➤ Do not forget to include opening and closing remarks
