

TECHNOLOGY QUOTES

TECH WORLD

- 1. Technology is always a two-edged sword. It will bring in many benefits, but also many disasters.**
- 2. The advance of technology is based on making it fit in so that you don't really even notice it, so it's part of everyday life.**
- 3. For any new technology there is always controversy and there always some fear associated with it. I think that's just the price of being first sometimes.**
