Fill in the gaps with the exact words you are listening to:

[Verse 1]

I found for me

Oh, darlin', just dive right in and follow my lead

Well, I beautiful and sweet

Oh, I never knew you were the

[Pre-Chorus]

'Cause we when we fell in love

Not knowing what it was

I will not this time

But, darling, just

Your heart is all I own

And in, you're holding mine

[Chorus]

Baby, I'm dancing in the dark with you

..... while listening to our favourite song

When you said you looked a mess, I whispered underneath my breath

But you heard it, darling,

[Verse 2]

Well, I found a woman

She shares my dreams, I hope that, someday, I'll share her home

..... to carry more than just my secrets

To carry love, to carry children

[Pre-Chorus]

We, but we're so in love

Fighting against all odds

I know we'll be alright this time

Darling,

Be my girl, I'll be your man

I see my future

[Chorus]

Baby, I'm dancing in the dark with you
..... while listening to our favourite song

When I saw you in that dress, looking so beautiful
I don't deserve this, darling,

[Bridge]

No, no, no
Mm, no, no

[Chorus]

Baby, I'm dancing in the dark with you
We're, oh, listening to our favourite song

I have faith in what I see, now I know I have met
An angel in person and
I don't deserve this,

Order the lines in the verses:

[Verse 1]

When it gets hard, you know it can get hard
sometimes
Lovin' can hurt, lovin' can hurt sometimes
It is the only thing that makes us feel alive
But it's the only thing that I know

[Pre-Chorus]

Where our eyes are never closin'
And time's forever frozen still
We keep this love in a photograph
Hearts are never broken
We made these memories for ourselves

[Chorus]

You won't ever be alone
Wait for me to come home
Inside the pocket of your ripped jeans
So you can keep me
Holdin' me closer till our eyes meet

[Verse 2]

Mm, and it's the only thing we take with us
when we die
Lovin' can heal, lovin' can mend your soul
I swear it will get easier, remember that with
every piece of ya
And it's the only thing that I know, know

[Pre-Chorus]

Hearts were never broken
Mm, we keep this love in this photograph
We made these memories for ourselves
And time's forever frozen still
Where our eyes are never closin'

[Chorus]

Well, that's okay, baby, only words bleed
You won't ever be alone
And I won't ever let you go
So you can keep me
And if you hurt me
Inside these pages, you just hold me
Inside the pocket of your ripped jeans
Wait for me to come home
Holdin' me closer till our eyes meet

[Bridge]

Wait for me to come home
Wait for me to come home
Wait for me to come home

[Chorus]

Next to your heartbeat, where I should be
Inside these pages, you just hold me
And if you hurt me
Keep it deep within your soul
Oh, you can fit me
And I won't ever let you go
Inside that necklace you got when you were
sixteen
Well, that's okay, baby, only words bleed

[Other]

Hearin' you whisper through the phone
Under the lamppost back on Sixth Street
When I'm away, I will remember how you
kissed me
"Wait for me to come home"

Underline all the words pronounced / əʊ / as in “show”:

[Chorus]

Well, you only need the light when it's burning
low

Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're
feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

[Post-Chorus]

And you let her go

[Verse 1]

Staring at the bottom of your glass
Hoping one day you'll make a dream last
But dreams come slow and they go so fast
You see her when you close your eyes
Maybe one day you'll understand why
Everything you touch surely dies

[Chorus]

But you only need the light when it's burning
low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're
feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

[Verse 2]

Staring at the ceiling in the dark
Same old empty feeling in your heart
'Cause love comes slow and it goes so fast
Well, you see her when you fall asleep
But never to touch and never to keep

'Cause you loved her too much and you dived
too deep

[Chorus]

Well, you only need the light when it's burning
low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're
feeling low
Only hate the road when you're missing home
Only know you love her when you let her go

[Post-Chorus]

And you let her go, oh, woah, mm, oh
And you let her go, oh, woah, oh, no
Well, you let her go

[Chorus]

'Cause you only need the light when it's
burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're
feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
