Task: A discursive essay (2) – a taking sides essay

You have decided to write an essay in which you give arguments in 180-210 words, about the statement:

“Zoos help protect biodiversity and serve a social and educational purpose, by allowing people to learn about and appreciate species.”

- ✓ Write an introduction
- ✓ Main argument – two or three paragraphs stating your reasons and examples
- ✓ Opposing arguments – one paragraph stating one or more opposing argument(s) and refuting each one.
- ✓ Write your conclusion, stating what your arguments have shown.

Please, write within the margins given
