Darío tiene dinero guardado en su domicilio pero Daniela le dice que guarde el dinero en el banco de su ciudad. Deja que el dentista te de una pomada para el dolor de dientes. David y Diana vieron medusas en la playa de Denia y dicen que duele mucho aún con pomada. La doctora Dina le dijo a Carlos que debe dormir más y jugar menos al dominó. Ella va disfrazada de dama y él disfrazado de indio. Juana usa dedal para coser y mientras Diana juega con el duende. Dame ese dado para poder jugar al dominó. El dálmata tiene un diente malo y necesita pomada. Luis se va a duchar y Diego se va a dormir. Me gusta comer dulce pero el salado me gusta más.
