- 1 in
 - 2 dis
 - 3 un
 - 4 im
 - 5 ir

Ex 8 Students' own answers.

Ex 9 Possible answer:

1 *For me, it's more important to have the right personal qualities for a job because you can gain experience when you're working, and both of those things are more important than qualifications in many cases. In the case of a job that requires a lot of knowledge, for example a doctor, qualifications are more important because you would be unsafe without correct medical knowledge. The right personal qualities would make you a nicer doctor and you'd enjoy the work more, but you wouldn't be safe.*

2 *I wouldn't like to be a football player because there is a lot of pressure from fans, the team owner and teammates. You also have to be incredibly fit, and enjoy being in the public eye. I like being anonymous, and eating pizza regularly!*

Exam practice 1

Ex 1 **1** False. (Maths anxiety may affect up to two million children in the UK ...)

2 True. (... people don't admit to struggling with reading and writing ...)

Ex 2 A

Ex 3 **1** The woman showed that she disliked maths through her facial expression and by saying that she did not think algebra was useful in real life.

2 According to Margaret Lester, many people believe that mathematical ability is due to a gene and that if you are not naturally good at maths, you cannot improve.

3 Martin Trigg thinks that teachers can help pupils to understand the way they feel about their difficulties with maths.

Ex 4 Suggested answers:

1 common, affecting a lot of people

2 finding difficult

3 something that you are proud of and want to show to people
