POSSIBLE ANSWERS

- 6.1.- I think four days at school would mean doing less homework and being less tired. Also, it would mean having an extra day to do other activities such as school clubs, volunteering or even helping around at home.
6.2.- The good things about school are studying lots of different subjects and spending time with friends.
6.3.- I would like to go to university because I need to get a degree to become a scientist, which is the job I want to apply for in the future. I'd also like to travel during the summer after I leave

school. I'd like to go to Asia because my friend told me the weather and food are amazing and it's cheap.

6.4.- I'm really excited about going to a water park with my friends. I have never been before and I love going really fast and swimming.

6.5.- It depends on the day! For me, Mondays are tiring, boring and educational, but Wednesdays are exciting, inspiring and fast because I have geography and drama classes, which are my favourite.

6.6.- I'd encourage teachers to give me more reading time because I love reading, but don't have enough time because of homework, studying and exams.
