

Interview with Harry Styles

Interviewer: Hello, Harry. Thank you for being here today.

Harry Styles: Hello! Thank you for inviting me.

Interviewer: How long have you been a singer?

Harry Styles: I have been a singer for more than 15 years.

Interviewer: When did you start your career?

Harry Styles: I started my career in 2010 when I joined One Direction.

Interviewer: How long have you lived in London?

Harry Styles: I have lived in London since I was a teenager.

Interviewer: What was your first big success?

Harry Styles: My first big success was with One Direction. We released many popular songs from 2010 to 2016.

Interviewer: Have you been a solo artist for a long time?

Harry Styles: Yes, I have been a solo artist for several years.

Interviewer: When did you release your first solo album?

Harry Styles: I released my first solo album in 2017.

Interviewer: Have you worked in movies?

Harry Styles: Yes, I have worked in movies since 2017.

Interviewer: Have you had the same music style for your whole career?

Harry Styles: No, I haven't. My style has changed since I started my solo career.

Interviewer: What did you do last year?

Harry Styles: Last year, I finished my tour and spent time with my family and friends.

Interviewer: Thank you for your time, Harry.

Harry Styles: You're welcome. It was a pleasure!
