

TRANSCRIPCIÓN GALEGO/INGLÉS ÚLTIMA ENTREVISTA HANNAH ARENDT

[Traducción non literal do inglés]

1. HISTORIA-ACCIÓN: (16:30-18:30)

“Non coñecemos o futuro. Actuamos cara ao futuro, pero ninguén sabe, realmente, o que está facendo, porque o futuro é un ir facéndose. A acción é un *nós* e non un *eu*. Se eu actuase soa, podería predecir o que vai suceder a partir das consecuencias dos meus actos. Pero, de feito, o que vai acontecer é completamente continxente, e a continxencia é un dos máis importantes factores da historia. Ninguén sabe o que vai pasar, simplemente porque hai tantas cousas que dependen de moitas variabeis, noutras palabras, do simple azar.”

2. PENSAR-REFLEXIONAR: (25:35-27:10)

“... actually every human being as a thinking being can reflect as well as I do, and can therefore judge for himself, if he wants to. How I can arouse this wish in him, this I don't know.

The only thing which can help us, I think, is really to *réfléchir*. And to think always means to think critically. And to think critically is always to be hostile. Every thought actually undermines whatever there is of rigid rules, general convictions, etc.

Every thing which happens in thinking is subject to a critical examination, of whatever there is. That is, there are no dangerous thoughts, for the simple reason that thinking itself is such a dangerous enterprise.

... I think non-thinking is even more dangerous. I don't deny that thinking is dangerous.

But, I would say, not thinking is even more dangerous.”

3. TOTALITARISMO:

4. EICHMANN EN XERUSALEM: (46:10-48:35)
