

HOMEWORK 1. UNIT 3.
VOCABULARY

Name:

Group:

1. Choose two answers that go with the words in bold:

- a. **wireless**: mouse / phone / video game
- b. **upload**: a printer / a photo / a song
- c. **update**: your hairstyle / your microwave / an app
- d. **deny access**: to files / to social media account / to virtual reality
- e. **user-friendly**: washing machine / TV programmes / computer programmes
- f. **cutting-edge**: behaviour / technology / design

2. Answer yes or no. Pay attention to the words in bold.

- a. Are most smartphones **equipped with** a camera?
- b. Is tablet an example of a **device**?
- c. Are robots **capable of** understanding human emotions?
- d. Are there apps that **enable** you to make video clips from your photos?
- e. Is **gaming** an extreme sport?
- f. Do **tools** help people to do things?
- g. When a photo **goes viral**, do only a few people see it?

3. The sentences below do not make sense. Correct them by replacing the words in bold with words in bold from another sentence.

- a. This is the latest application. I've just **upgraded** it on my phone.
- b. Unfortunately, I've **installed** all my photos.
- c. We **browsed** our files so they wouldn't get lost.
- d. She **backed up** her phone to the latest model.
- e. I **deleted** this site but I didn't find anything I liked.
