# SIMPLE

# CONTINUOUS

# USED TO

Routines in the present?

Routines in the past= used to.

Past habits and states

I USED TO...

live in (flat/apartment/house...)

summer (beach / mountain ...)

eat... but now...

sports ... but now

cinema

Did you use to get a lot of homework in school?

What did you use to eat for breakfast when you were a kid?

What kinds of toys did you use to have?

Who or what used to be popular, but isn't that popular anymore?

Do you travel more now than you did in the past?

*Hint: I used to travel [more / less]... / I didn't use to travel..*

Who did you use to look up to when you were younger? (look up to = admire and respect; see someone as a role model)

Which athletes did you use to like watching when you were younger?

Do you think life used to be less complicated in the past? Why or why not?

Do you think people were different in the past than they are now? If so, how?

How often did your extended family use to get together? What did you use to do together? Do you still get together as often now?

Did you use to have any bad habits?

Did you use to own any electronic devices in the past? Which ones?

Has anyone in your life changed their job? What did they use to do?

Where did you use to work or go to school?

When you were in school, what did you use to do during recess?

Did you use to participate in any school plays or other performances?

How was life different for people before the internet?
