- 4 Complete the email with the words in the box.

~~already~~ already already for just since yet

Hi Olivia,

You don't need to say sorry for what you said yesterday. I've already forgotten about it. We've been friends ¹_____ so long, these things don't matter.

Besides, I'm worried about other things. My driving test, for example. Can you believe that I've ²_____ taken the test three times! I haven't found anything so difficult ³_____ that time I tried to learn the guitar!

Although I haven't passed the test ⁴_____, I'm optimistic that it will happen soon. I've ⁵_____ organized my next test, right before writing this email. It's next month! You've ⁶_____ passed your test. Have you got any advice for me?

Zak
