

A profile of a person

Presentation:

Emma Watson is a young female British actress.

General information:

She was born in 1990 in Paris, France. As a child, she played Hermione in the Harry Potter films. She originally wanted to be an actress, but she studied English Literature at university.

Achievements and other details:

Everyone knows her because she is one of the most famous actresses in the world. She also worked as a model. Emma likes helping people, too, because she works as an activist. She sings and dances.

Why admire:

I admire her because she is a great actress and a feminist. What I like the most about her is that she is hard-working and that she cares about people.
