

# A Character's Description

## Introduction

My favourite character is Harry Potter. He is a wizard, so he can do magic, and he is very courageous and talented.

## Body

In the film, Harry has two friends: Ron, the funniest character, and Hermione, the most intelligent witch. Harry fights Lord Voldemort, a nasty and ugly villain, and he makes new friends. I like Harry because he is sincere and reliable, and he always helps his friends.

## Conclusion

In my opinion, no other film is as great as Harry Potter. He is the best wizard of all, and kind enough to put his friends first.
