PRACTICE:

1) Look at language: Used to . Answer, Is this statement true (T) or false (F)?

When we want to talk about something that we did as habit in the past, we can use used to
--

2) Translate into Spanish:

1. Scouts still do many things that they used to do in the past.
2. That didn't use to happen in 1920!
3. Girls didn't use to be in the Scouts.
4. There used to be separate Girl Guide and Girl Scout organisations.

Will + Infinitive or Be going to + Infinitive

3) Go to page 51 and read the table

4) Rewrite the sentence in the negative and the interrogative forms:

1. I am going to save all my pocket money to buy a new phone.

Negative :

Interrogative:

2. John is going to study to pass his exams.

Negative:

Interrogative:
