The Dolls are Watching

Have you ever been 1... of these realistic-looking shop mannequins? Do you get the feeling that they are watching you? Well, 2 ... , they might be. The EyeSee Mannequin looks like an ordinary mannequin, but it comes with a camera hidden in one eye as well as software that can analyse faces. It collects data about 3... , such as their gender, their age and how long they spend looking at items. Shop owners claim that EyeSee is a 4... way to get information and improve sales, providing data that is quite 5... for making decisions such as when and where to add more sales assistants. Privacy activists, of course, feel that these spying dolls are a 6... way of getting information from people who don't know they are being watched. They say that watching people for reasons other than security is an 7... of privacy and may even be 8...
