

THIS IS ME

MAYA

Irene Vilarinho
English Class-Unit 1

PRESENTATION

I am Maya. I am from Germany. I am an industrial architect. My dad is German and my mum is originally from Malaysia. I love working on construction sites. Seeing large plans come alive is very interesting.

MY HOUSE

My house is a flat in an urban area. Near my house is a park. I go on walks with my dog Toby there. I live with my partner and my dog.
