

She usually **gets up** very early...

However, today she **is having** breakfast later than usual

The weather **is** not usually bad...

But today the sun **isn't shining**.

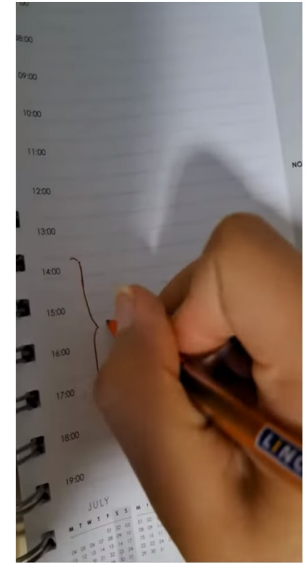

Indeed, it **is raining**

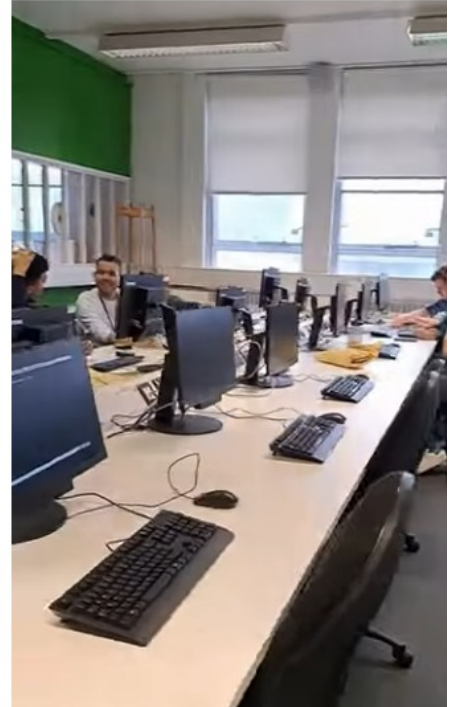

She often **uses** a planner

At the moment, she **is writing** her
tasks for the day

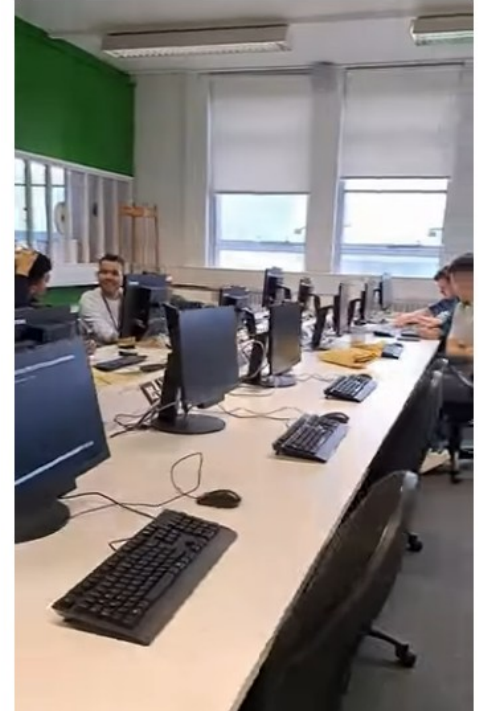

Students **are** often in the classroom

But today they _____ **(work)**
in the laboratory

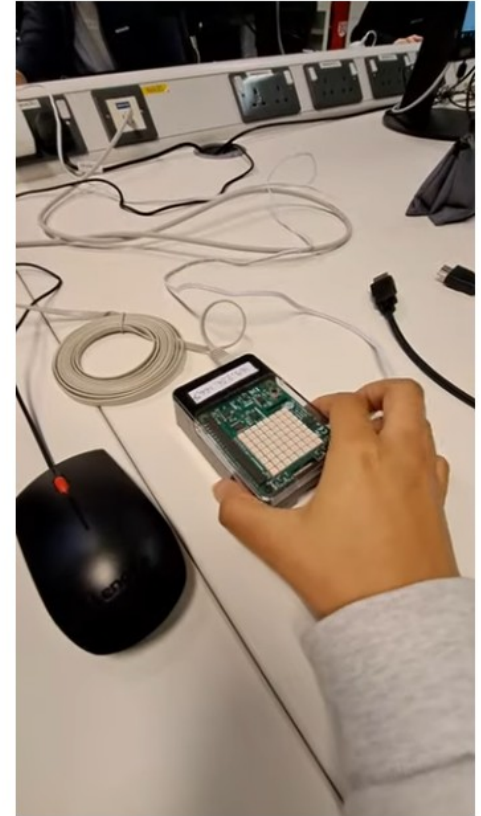

Students **are** often in the classroom

But today they **are working** in the
laboratory

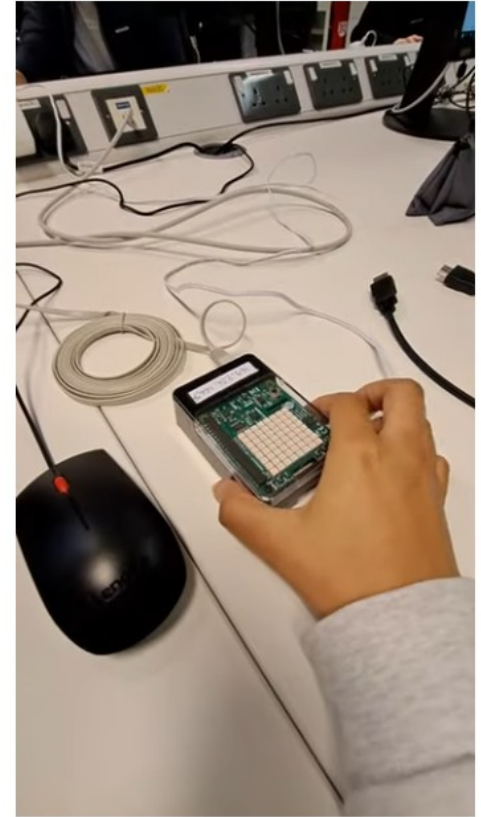

In the lab, she usually **works** on her
final project

She _____ (**work**)
with the Raspberry Pi just right now

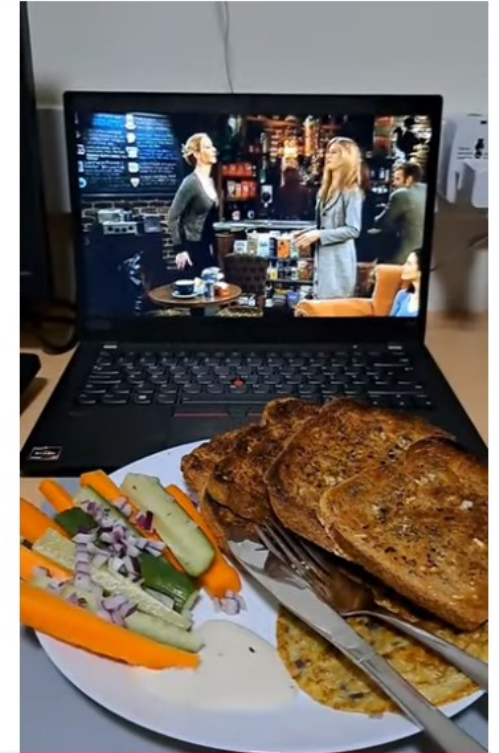

In the lab, she usually **works** on her
final project

She **is working** with the Raspberry
Pi just right now

She **likes** TV series and movies

She _____ **(watch)** TV
while **having dinner** at the moment

She **likes** TV series and movies

She **is watching** TV
while **having dinner** at the moment
