

ACTIVITIES 4º ESO TECHNOLOGY.

MONDAY 16/THURSDAY 19/ FRIDAY 20.

1.- Access to the Yenka website and download the program.

https://www.yenka.com/en/Yenka_Technology/

You have the link in the TECH4 course virtual class.

2.- Install the program, and try to assemble the oscillator circuit you have on page 69.

MONDAY 23

1.- Exercise 10 on page 69.

2.- Exercise 7 on page 67.

THURSDAY 26

1.- Read the page 72. Copy on your notebook the voltage divider circuits, and the way to calculate V_o .

2.- Exercise 14 on page 73.

FRIDAY 27

1.- Exercise 15 on page 73.

Remember send me the exercises to irene.profeinformatica@yahoo.es
