

ACTIVITIES 14/10/2020.

- 1.- Read on page number 8 the different types of work we make in the classroom workshop.
- 2.- Then, draw a plane of an ideal classroom workshop, different to the plane on your book, with a library and a line of computers in the classroom.

You can search information through internet.

- 3.- Finally, write the differences between your classroom workshop and our technology class.
-
