Reading

An interview with our science teacher, Mr Davis

What time do you get up?

On Monday to Friday, I get up at seven o'clock. I have a shower and I sometimes have breakfast. It's different on Saturdays and Sundays. I don't get up until eleven o'clock and I always have a big breakfast.

Where do you have lunch?

I always eat at school. I don't have time to go home. I usually eat with Mr Flowers, the maths teacher. He's a good friend.

When do you go home?

School finishes at half past three and then all the children go home. I sometimes look at students' homework. I usually go home at five o'clock.

What do you do when you get home?

I can cook so I make the dinner at home. My wife comes home at half past six and we have dinner together. In the evening, I watch a film on TV or I read. I don't play computer games!
