### Prepositions of time

#### Prepositions of time *for, since, ago, during, by, until*

We use *for* and *since* to say how long something continues. We use *for* + a period of time, and *since* + a point of time.

*She's been learning English for three months.*  
*He's lived in London since 1998.*

We use *ago* to talk about a point of time in the past.

*They got married two years ago.*

We use *during* to say that something happens in the middle of a certain period or event.

*Sue fainted during the pop concert.*

We use *by* to say 'not later than'.

*'You must finish your homework by Friday,' said the teacher.*

We use *until* to say how long something continues and when it finishes.

*Tom stayed out until one o'clock in the morning.*
