Dear Sir or Madam,

I am writing to apply for the position of Emergency Medical Technician which I saw advertised in last week's Medicare Magazine. I am very interested in this opportunity to work in a professional healthcare environment.

As you will see from my CV, I have already finished studying to be a Technician in Emergency Medical Care and I have finished with the highest marks. I have also finished a Basic Life Support course and I have experience working as a volunteer for the Spanish Red Cross.

I believe I am a suitable candidate because I always work calmly and efficiently under pressure, and I truly enjoy helping people in critical situations. I want this job because it allows me to use my medical knowledge and practical skills to make a real difference in people's lives, and I am confident that my training and dedication will make me a valuable member of your emergency care team..

If you need any additional information or references, I would be happy to provide them.

Thank you for your time and consideration.

Yours faithfully,

*Alonso*
