

Swimming Vocabulary

Read the following sentences and choose the correct option.

1. Going to the pool is so pleasant, especially when you play with **a raft / a nose clip / a pull buoy / ear plugs** with a friend. You're like shipwrecked persons... for fun!
2. Paula! If you go into the water alone, come and fasten your **goggles / fins / swim cap / swim belt!** Then, you'll be really safe!
3. Kevin, put your **ear plugs / goggles / fins / nose clips** on if you don't want your eyes to burn!
4. In order to improve the movements of your legs, you should practise with **fins / ear plugs / goggles / a ring!**
5. Give me the baby's **fins / nose clips / swimming cap / swim ring**, please! Being in the water without one is much too dangerous.
6. Oh look at Laura, she's working with her **swim flip-flops / mermaid fin / snorkel / swim cap** and looks like Ariel! Wonderful undulating movements ...
7. If you don't wear your **paddles / ear plugs / swim ring / swim cap**, you'll have another ear infection, and no pool for several weeks!
8. Use your **swim ring / ear plugs / paddles / pull buoy** in order to concentrate on the perfection of the movements of your arms ...
9. In order to practise **backstroke / butterfly stroke / freestyle / diving / breaststroke**, you have to make alternate arm movements, on your back, and do a flutter kick with your legs.
10. In a pool, **water noodles / pull buoys / goggles / arm bands / nose clips** are great fun! You may tow your playmates with them, ride them, whack each other on the head with them (ugh) or ... put them under your armpits to swim !
